...continued...

Overview Our first writing assignment centered upon the definition of the sociological viewpoint toward social problems, and an identification of a social problem that we felt was one of the most significant in society. For this next paper, we will expand upon our understanding of the social problem

...continued...

through analyzing the organizations that are committed to addressing it. For example, with respect to the problems of homelessness, we see a variety of local and national level organizations that seek to enable people the opportunity to have permanent housing. Habitat for Humanity would be an
